

Trade - In Trade - Up Liquid Handling 2010

**Got any old pipette laying around?
Why not trade it in for a new one!**

Simply give us your old pipette (any brand, any model, any condition) and you can purchase a brand new Eppendorf pipette at a greatly reduced price. The only condition is the pipette you trade-in needs to be the same style as the new one you purchase (i.e. single channel pipette for a new Eppendorf single channel; or a multi-channel pipette for a new Eppendorf multi-channel; etc).

For more details on this offer, contact your local Crown Scientific Representative or the Crown Customer Service Team.
